

UCSF Patient Discount Policy Guidelines

Application Process:

No formal application is required for applying patient discounts. Evaluation of the patient's circumstances and planned services will be conducted based on the provided guidelines.

Self-Pay Discount Amounts:

- **Hospital Discount:** 70% off charge amount
- **Professional Fee Discount:** 50% off charge amount

Eligibility Criteria:

- Uninsured patients
- Insured patients seeking services at UCSF that are either not covered or not fully covered under the patient's benefit plan

Exclusions/Not Eligible:

- Certain specialized elective Self-Pay Services (e.g., Cosmetic, Fertility, etc.)
- International patients
- Worker's Compensation or other Third-Party Liability covered services
- Patient liability after insurance processes the claim

Please note that this document serves as a summary of our patient discount policy. For further details or inquiries, please refer to our comprehensive guidelines or contact our administrative office.
