

Financial Assistance Application Instructions

If you need help paying your medical bill, you may be eligible for financial assistance from Coalinga Regional Medical Center. Any individual whose family income is at or below 400% of the federal poverty level and is either uninsured or has high medical cost may be eligible for the hospital's charity (free) care or discounted care. To determine eligibility for financial assistance please follow the instructions below in completing the financial assistance application, including submission of supporting documentation, as applicable.

You may be eligible for government programs such as Medi-Cal and other government-funded healthcare assistant programs. Additionally, you are welcome to obtain applications for coverage offered through the California Health Benefit Exchange: www.coveredca.com.
