POLICY:

Casa Colina, Inc. and its affiliated corporations (referred to collectively as Casa Colina) strive to provide quality services in a caring environment and to make a positive measurable difference in the health of individuals we serve. Helping to meet the needs of the low-income, uninsured and underinsured patients is an important element of our commitment to the community. Casa Colina's financial assistance policy provides the means for the organization to demonstrate its commitment to achieving its mission and values.

The criteria Casa Colina will follow in qualifying patients for programs for financial assistance purposes are provided in this policy. The financial assistance policy has been developed in written form to effectively communicate how our commitment will be consistently administered to all parties. Patients who receive necessary services at Casa Colina and who do not have third party insurance coverage for their entire bill and who have difficulty paying their bills because of financial hardship are covered under the terms of the financial assistance policy.

Casa Colina recognizes the importance to create a charitable service policy that considers the needs of its community while balancing its long-term fiduciary responsibility. In the long run, sustainability of the organization remains essential to maintaining programs and services for the community. Casa Colina shall make available such amounts (budgeted annually) for financial assistance to patients.

This policy separates and differentiates between Discounted Care and Charity Care.

DEFINITION:

DISCOUNTED CARE is defined as services provided to patients who are either uninsured with higher income levels or are underinsured but whose income is at or below four hundred percent (400%) of the federal poverty level standard.

CHARITY CARE is defined as services customarily provided by Casa Colina, which are provided to patients who do not have available resources to pay and ~~meet~~ are at or below

200% of the federal poverty level. The services are provided either free or at nominal prices.

Charity Care or Discounted Care will not include administrative adjustments or contractual adjustments. Charity Care and Discounted Care shall be based on Federal Poverty Level (FPL), as well as other appropriate guidelines. The FPL guidelines are established and published in the Federal Register each calendar year (usually February) and adjust for family size.

Discounted Care

A. To qualify for a discounted payment a patient must meet the following criteria:

1. A patient's family income is at or below 400% of the Federal Poverty Level ("FPL").

2. A patient who is uninsured is a patient who does not have third-party coverage from a health insurer, healthcare service plan, Medicare, Medi-Cal, Regional Center and whose injury is not eligible for compensation under worker's compensation, automobile insurance, or other insurance as determined and documented by Casa Colina's Financial Services Department.

3. A patient who is insured but has "high medical costs" and who is at or below 400% of the Federal Poverty Level (FPL). A patient with high medical costs is defined as: a person whose family income does not exceed 400 percent of the federal poverty level and that individual does not receive a discounted rate from the hospital as a result of his or her third-party coverage. For these purposes, "high medical costs" means any of the following:

   a. Annual out-of-pocket medical expenses incurred by the individual at the hospital that exceed 10 percent of the patient's current family income or family income in the prior 12 months, whichever is less.
   b. Annual out-of-pocket medical expenses that exceeded 10 percent of the patient's current family income, if the patient provides documentation of the patient's medical expenses paid by the patient or the patient's family in the prior 12 months.

4. A patient must meet the income ~~and asset~~ tests as determined by California statute. Such tests are based on the "patient's family income" in that in defining a patient with high medical costs, a comparison of the patient's out-of-pocket expenses at Casa Colina to the "patient's family income," or a comparison of the patient's family income to medical expenses "paid by the patient or the patient's family."

   a. For persons 18 years of age and older, the patient's spouse, domestic partner, and dependent children per IRS guidelines, whether living at home or not.
   b. For persons under 18 years old, a parent, caretaker relatives, and other dependent children of the parent or caretaker relative.

5. A patient who receives a discount as a result of his/her third-party coverage may not be eligible for additional discounting of their remaining liability. If the patient's liability is based on a contractually discounted rate between Casa Colina and the insurer, the remaining patient liability may not be eligible for additional discounting.

6. Patient eligibility is determined based solely on the family's income; assets such as primary residence are not considered in the eligibility criteria.

7. Any patient who does not reasonably comply with Casa Colina's application process may be excluded from eligibility.

8. The patient's eligibility may be determined anytime Casa Colina is in receipt of documentation of income and expenses.

~~8.~~9. Casa Colina will limit charges to a patient eligible for financial assistance to the amount the hospital would expect, in good faith, to receive for providing services from Medicare or Medi-Cal, whichever is greater, if this amount is lower than the discounted amounts included within this policy.

B. Casa Colina is required to notify uninsured, underinsured, and low-income patients of the availability of discounted and charity care programs. The process for notification shall consist of two types: (1) Written (Exhibit G) and 2) Public notice (Exhibit F)

1. Written Notice

The written notice shall include the following:

a. The availability of discounted/charity care that is based on a family's current income or family's income in the prior 12 months, whichever is less, in conjunction with the federal poverty guidelines as well as the availability of state and federal applications for medical coverage and eligibility information in both English and Spanish.

b. If it is determined that the patient's primary language is other than English or Spanish, and that language comprises greater than 5% of the facility's population, Casa Colina will provide the necessary information in the patients primary language.

c. The written notice will be published online at: www.casacolina.org/financialassistance. The Financial Assistance Policy Plain Language Summary (Exhibit D) will also be available at this web address.

2. Public Notice

The notices shall be posted in areas, which are clearly and conspicuously visible to the public. Such areas (check-in, registration, admissions office, billing office and other outpatient areas, including observation units) shall include, but are not limited to: Inpatient Services, Children's Services, Specialty Clinics, Imaging Center, Adult Day Healthcare, and other outpatient settings such as Laboratory, Wound Care, and Radiology.

C. The application process for Discounted Care is as follows:

1. Admissions, Registration, and Patient Financial Services personnel will accept requests for consideration for discounted care. In addition, program manager/director and or other appropriate Casa Colina personnel, such as case managers and patient accounting representatives may accept requests for discounted care.

2. The patient, family, or financially responsible party shall complete the Application for Financial Assistance (see Exhibit A & B) and return it to the Patient Financial Services Department.

~~3.~~ Financial assistance will be granted based on a completed application. The discounted care eligibility of the patient is identified below. Eligibility for discounted care will be determined by a thorough financial screening process utilizing the data included in the financial assistance form. Required documentation includes recent pay stubs from within the last six months and federal income tax returns for the patient or patient's family.~~Data collected includes:~~

~~4.~~

~~5. Completed and signed financial assistance application;~~

~~6. Award letters for Social Security, SSI, Disability, Unemployment, General Relief, Alimony, etc.;~~

~~7. Family income from all sources:~~

~~8. Most recent tax returns~~

~~9. Two most recent pay stubs;~~

~~10. Employment status, both current and future; or, if self-employed, current year-to-date profit and loss statement to determine current income;~~

~~11. Family size;~~

~~12. Last two months' bank, brokerage, and investment statements;~~

~~13. Copies of prior year's 1099 for interest income, dividends, capital gains, etc.; and~~

~~14. Other appropriate financial data if tax returns or pay stubs are not available. Certain patient's assets, such as retirement plans, homes, and automobiles owned by the patient, are excluded.~~

~~15. Rent verification~~

~~16.~~3. ~~Property/mortgage verification~~

4. Failure by the patient/client to provide adequate and complete information to substantiate the necessity for discount/charity care may result in the application being denied.

5. The initiator of the request will review the application for completeness and they will complete the Financial Assistance Request Form (Exhibit C). The completed request will then be returned to the Director of Patient Financial Services.

6. Casa Colina may accept deposits from a patient prior to the determination of discounted care. Should a deposit be made, Casa Colina shall refund such appropriate funds in a timely manner, including appropriate interest thereupon.

7. The Director of Patient Financial Services will complete the financial worksheet and compare the data to established poverty level guidelines (see Exhibit E).

8. The Director of Patient Financial Services will recommend approval or rejection of the submitted application and forward qualifying requests to the Chief Financial Officer for approval or rejection.

9. The Chief Financial Officer will forward the approved application to the Chief Planning and Development Officer and the Chief Executive Officer for final approval or rejection.

10. If all levels of approval are given, the Director of Patient Financial Services will inform the patient or designated representative of such approval. The original application is maintained in Patient Financial Services Department for the period of 10 years or as required by current regulations. In the event that the application for financial assistance is denied, the requesting party will be notified in writing. Approvals and denials will be supported by reasonable documentation supporting such decisions as outlined in the federal poverty guidelines (FPL). All decisions will be communicated in writing to the requestor no later than 14 business days from final approval or denial date.

11. The patient may contact the Director of Patient Financial Services or designee in the event of a dispute of our determination.

12. A patient may appeal a denial. The Director of Patient Financial Services shall review all the financial data along with the application on file. The

patient may submit additional information, including, but not limited to updated financial data and/or other relevant information to substantiate the request for financial assistance.

13. Patients are eligible for a re-evaluation under the financial screening procedure:

    a. At the time of each inpatient/outpatient admission.
    b. When any relevant data previously considered has changed, such as income, family size, special or unusual expenses, and so on.
    c. After one year elapses from the completion of their last financial screening.

14. The Finance Department will maintain a log of all approved Discounted Care and Charity Care adjustments.

D. The billing and collection process in regard to discounted care is identified as follows:

1. For patients who have not provided adequate proof of insurance, the Patient Financial Services department shall provide information in summary form along with appropriate contact information regarding the Patient Financial Assistance Policy. The information Casa Colina shall provide is as follows:

    a. A statement of charges for services rendered by Casa Colina.
    b. A request that the patient inform the patient financial services department if the patient has health insurance coverage, Medicare, Healthy Families, Medi-Cal, or other coverage.
    c. Medicare patients seeking financial assistance for a copayment, co-insurance, or deductible assigned by Medicare are candidates for Medicare Bad Debt after 180 days from the first bill date and after reasonable collection efforts were made by Patient Accounting and a Debt Collection Agency to collect the debt. These balances are not considered Charity Care.
    d. A statement indicating that a patient may obtain an application for Medi- Cal, California Health Benefit Exchange (Covered California), and CCS.
    e. Information about the “Financial Assistance Application” including:

        i. A statement that indicates that if the patient lacks, or has inadequate, insurance and meets certain low- and moderate-income requirements, the patient may qualify for discounted payment or charity care.

ii. Reasonable efforts to obtain a patient's third party health coverage information, including coverage through the California Health Benefits Exchange will be made. The hospital will notify the patient that they may be eligible for health coverage through the California Benefit Exchange, or other state- or county-funded health coverage.

2. Should a patient qualify for partially discounted care, the remaining balance due will be collected using the standards and practices of Casa Colina for billing and collections. External collection agencies utilized by Casa Colina shall also adhere to Casa Colina standards and practices. All debt collection practices will include all appropriate fair debt language. The standards and practices are as follows:

   a. Prior to the debt being advanced to a collection agency, Patient Financial Services shall make reasonable efforts to inform the patient/client of the status of their financial obligation. That includes but is not limited to:

      i. An initial itemization of charges incurred.
      ii. Three monthly billing statements. The third and final notice will be sent no less than 120 days from determining the balance is patient responsibility.
      iii. A telephone call will be placed after 30 days from the bill date to collect payment in full or negotiate a payment arrangement if no response to previous statement(s) has been received.

   b. Any debt assigned to a collection agency must have met the above criteria and the assignment date must be greater than 180 days from initial billing. The exception to the above would be any account that is deemed to be uncollectible due to inaccurate address (returned mail with no forwarding address, phone, or bankruptcy).
   c. Neither Casa Colina nor a collection agency may use wage garnishments or file liens on assets except if court ordered.
   d. A patient may request an extended payment arrangement to satisfy the remaining debt once the discount has been applied. Such extension should be based on the circumstances of each patient with a standard installment of up to 6 months and must be approved by the Director of Patient Financial Services. If Casa Colina and the patient cannot agree on repayment plan terms, default monthly payments will consist of an amount not more than 10 percent of a patient’s family income for a month,

excluding deductions for essential living expenses as defined in California Health and Safety Code Section 127400(i).

e. No interest may be charged during the payment period. Should the patient fail to make payment for ninety days (90) days or fail to renegotiate the payment plan, Casa Colina will take immediate action and assign unpaid debt for immediate collections.

f. Patient debt is advanced for collection under the authority of Casa Colina's Chief Financial Officer (CFO), who is responsible for overseeing debt collection activities.

~~e.~~g. Casa Colina shall not use any income documentation – including but not limited to paystubs, income tax returns, or other financial records – obtained during the financial assistance or charity care eligibility determination process for any debt collection activities. This restriction applies to both internal collection efforts and any third-party collection agencies acting on behalf of Casa Colina. Casa Colina affirms that such documentation is collected solely for the purpose of evaluating eligibility for financial assistance and shall not be repurposed for assessing collectability, initiating collection actions, or determining payment plans.

Charity Care

A. For a patient to qualify for charity care they must meet the following criteria:

1. A patient is at or below 400% of the Federal Poverty Level ("FPL").

2. If a patient's family income is 200% or less of the FPL, then entire amount of the bill will be forgiven.

3. If a patient's family income is between 201% and 400% of the FPL, then a portion of bill is forgiven based on a sliding scale as follows:

   a. 201% to 250% = 75 % forgiven
   b. 251% to 300% = 50% forgiven
   c. 301% to 400% = 25% forgiven

4. If a patient's family income is more than 400% of the FPL, the patient will not automatically qualify for charity care adjustment based on the income level. However, financial assistance may be considered when the specific circumstances of care were created by a catastrophic medical condition or event.

5. Casa Colina shall request and verify the same personal financial information as required for Discounted Care above. ~~In assessing the~~

~~patient/clients monetary assets, the first $10,000 of a patient's monetary assets and 50% of assets above $10,000 will not be considered in determining eligibility.~~

OTHER ELIGIBLE CIRCUMSTANCES:

Casa Colina deems those patients that are eligible for any or all government sponsored low-income assistance programs to be indigent. Therefore, such patients are automatically eligible for Charity Care under the Casa Colina Policy and account balances will be classified as Charity Care if the government program does not make payment for all services provided, or days during a hospital stay.

For example, patients who qualify for Medi-Cal, CCS, CHDP, MSI, CMSP, or other similar low-income government programs are eligible for financial assistance.

Any or all non-reimbursed patient account balances are eligible for full write-off as Charity Care. Specifically included as Charity Care are charges related to denied stays, denied days of care, and non-covered services. All Treatment Authorization Request (TAR) denials and any other failure to pay for covered or non-covered services provided to Medi-Cal and/or other government low-income qualified patients are covered.

Patients with restricted coverage and/or other forms of limitation shall have non-covered amounts classified as Charity Care when payment is not made by the low-income government program.

The portion of Medicare patient accounts (a) for which the patient is financially responsible (coinsurance and deductible amounts), (b) which is not covered by insurance or any other payer including Medi-Cal, and (c) which is not reimbursed by Medicare as a bad debt, may be classified as Charity Care if:

1. The patient is a beneficiary under Medi-Cal or another program serving the healthcare needs of low-income patients; or
2. The patient otherwise qualifies for financial assistance under this policy and then only to the extent of the write-off provided for under this policy.

Any patient who experiences a catastrophic medical event may be deemed eligible for financial assistance. The determination of a catastrophic medical event shall be based upon the amount of the patient liability at billed charges, and consideration of the individual's income and assets as reported at the time of occurrence. Management shall use reasonable discretion in making a determination based upon a catastrophic medical event. As a general guideline, any account with a patient liability for services rendered that exceeds $100,000 may be considered for eligibility as a catastrophic medical event.
Any account returned to the hospital from a collection agency, where it has been determined the patient or guarantor does not have the resources to pay their bill, may

be deemed eligible for Charity Care. Documentation of the patient or guarantor's inability to pay for services will be maintained in the Charity Care documentation file.

CRITERIA FOR RE-ASSIGNMENT FROM BAD DEBT TO CHARITY CARE

All outside collection agencies contracted with Casa Colina to perform account follow-up and/or bad debt collection will utilize the following criteria to identify a status change from bad debt to Charity Care:

1. Patient accounts must have no applicable insurance coverage including governmental or other third party payers);
2. The patient or guarantor must have an Experian credit score rating of less than or equal to 500. If the collection agency is using a credit scoring tool other than Experian, the patient and or guarantor must fall into 20th percentile of credit scores for the method used;
3. The patient or guarantor has not made a payment within one hundred eighty (180) days of assignment to the collection agency;
4. The collection agency has determined that the patient/guarantor is unable to pay;
5. The patient does not have a valid Social Security Number and/or an accurately stated residence address in order to determine a credit score; and
6. Medicare patients assigned to an outside collection agency after 180 days from the first statement and unable to pay or has not paid for a copayment, co-insurance, or deductible assigned by Medicare are candidates for Medicare Bad Debt. The outside agency has to exhaust collection efforts outlined by the hospital provider and return the account as Medicare Bad Debt to the Hospital after 45 days of reasonable collection efforts. Accounts are returned as Medicare Bad Debt. These balances are not considered Charity Care.

Solicitud de ayuda económica

Fecha: _____

Nombre del paciente/garante: _____

Dirección: _____

Llene y brinde toda la información solicitada de la mejor manera posible para que Casa Colina Hospital and Centers for Healthcare pueda determinar con precisión si usted es apto para recibir nuestro Programa de ayuda económica, el cual se basa en las Pautas Federales de Pobreza. No podemos garantizar que usted califique para recibir asistencia financiera, incluso si la solicita. Los pacientes que solo solicitan atención con descuento pueden recibir menos asistencia financiera de la que estaría disponible bajo el programa de atención de caridad.

Solo se le requiere presentar recibos de pago recientes de los últimos seis meses y su declaración de impuestos sobre la ingresos más reciente (como el Formulario 1040 del IRS) del paciente o de la familia del paciente. Si lo desea, puede presentar otros documentos de prueba de ingresos enumerados a continuación, pero no son obligatorios. Por ejemplo, si no tiene prueba de ingresos o no tiene ingresos, puede adjuntar una página adicional con una explicación. Aquí están los documentos que es posible que desee proporcionar:

- ✓ Boletas de pago (las más recientes que tenga)
- ✓ Declaraciones de impuestos más recientes
- ✓ Solicitud de ayuda económica llenada y firmada
- ✓ Cartas de otorgamiento para el seguro social, SSI, discapacidad, desempleo, ayuda general, pensión alimenticia, etc.
- ✓ Situación laboral, actual y futura; o, si es trabajador autónomo, declaración de ganancias y pérdidas actuales del año hasta la fecha para determinar el ingreso actual
- ✓ Tamaño de la familia
- ✓ Estados de cuenta bancaria, corretaje e inversiones de los dos últimos meses
- ✓ Copias del formulario 1099 del año calendario pasado con información sobre ingresos por intereses, dividendos, plusvalía, etc.
- ✓ Otros datos financieros pertinentes si no se cuenta con declaraciones de impuestos o boletas de pago. Se excluyen ciertos bienes del paciente, tales como planes de jubilación, casas y automóviles de propiedad del paciente.
- ✓ Verificación del alquiler (renta)
- ✓ Verificación de bienes inmuebles/hipoteca

Tenga en cuenta que cualquier solicitud incompleta será denegada y enviada de vuelta para ser llenada y/o para que se añadan documentos pertinentes. Si tiene preguntas, comuníquese con el **Departamento de Servicios Financieros para los Pacientes** al **909/596-7733, anexo 5558**. Las solicitudes se pueden enviar por fax al **909/450-0141.**

Casa Colina Hospital and Centers for Healthcare is proud of its goal to provide quality care to all who need it regardless of ability to pay.

If you do not have health insurance and worry that you may not be able to pay in full for your care, we may be able to help. Casa Colina provides financial assistance to patients based on their income and needs. We may be able to help you get financial coverage or work with you to arrange a manageable payment plan.

It important that you let us know if you will have trouble paying your bill; federal and state laws require health organizations make reasonable efforts to collect payment for services from patients/clients. The organization may turn unpaid bills over to a collection agency, which could affect your credit status. We would like to work with you to avoid this situation.

For more information, please contact our Patient Accounting office at 909/596-7733, ext. 5558. We will treat your questions with confidentiality and courtesy.

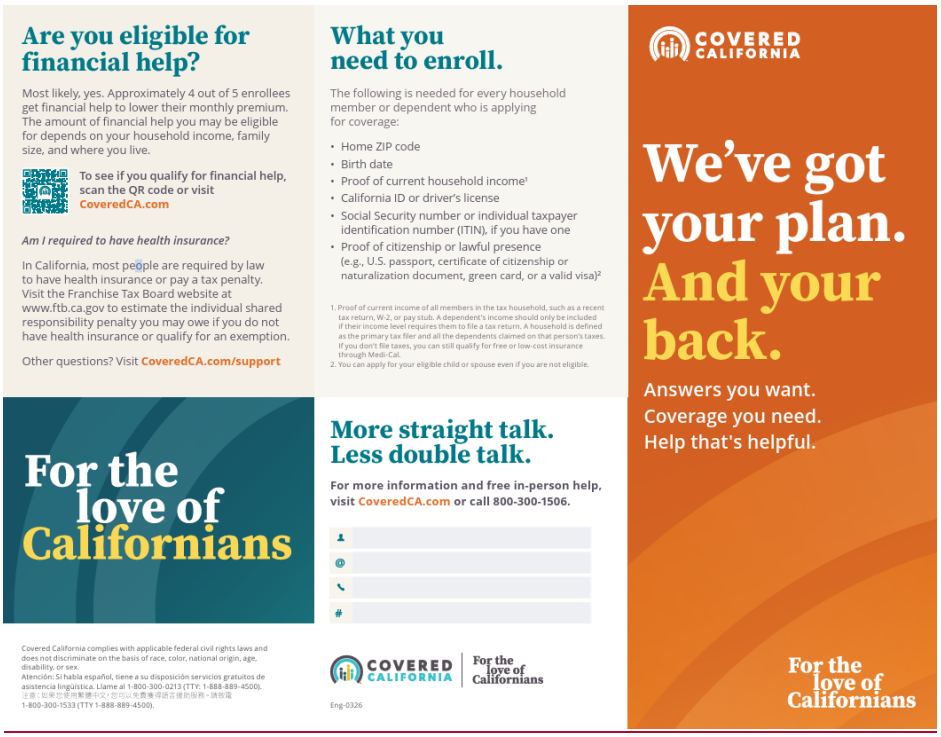
COVERED CALIFORNIA FACT SHEET (ENGLISH)



Are you eligible for financial help?

Most likely, yes. Approximately 4 out of 5 enrollees get financial help to lower their monthly premium. The amount of financial help you may be eligible for depends on your household income, family size, and where you live.

To see if you qualify for financial help, scan the QR code or visit CoveredCA.com

Am I required to have health insurance?

In California, most people are required by law to have health insurance or pay a tax penalty. Visit the Franchise Tax Board website at www.ftb.ca.gov to estimate the individual shared responsibility penalty you may owe if you do not have health insurance or qualify for an exemption.

Other questions? Visit **CoveredCA.com/support**

What you need to enroll.

The following is needed for every household member or dependent who is applying for coverage:

- Home ZIP code
- Birth date
- Proof of current household income[1]
- California ID or driver's license
- Social Security number or individual taxpayer identification number (ITIN), if you have one
- Proof of citizenship or lawful presence (e.g., U.S. passport, certificate of citizenship or naturalization document, green card, or a valid visa)[2]

1. Proof of current income of all members in the tax household, such as a recent tax return, W-2, or pay stub. A dependent's income should only be included if their income level requires them to file a tax return. A household is defined as the primary tax filer and all the dependents claimed on that person's taxes. If you don't file taxes, you can still qualify for free or low-cost insurance through Medi-Cal.
2. You can apply for your eligible child or spouse even if you are not eligible.

COUNTY OF LOS ANGELES - DEPARTMENT OF HEALTH SERVICES

YOU CAN GET NO-COST OR LOW-COST MEDICAL CARE

AT ANY LA COUNTY CLINIC OR HOSPITAL IF YOU ARE ELIGIBLE FOR ONE OF THE PROGRAMS BELOW

Program	Who Can Get it?	How Much Does It Cost?	What Care Is Covered?	Where Do I Go for Care?
Ability to Pay (ATP) *The former ORSA is now part of ATP*	Los Angeles County residents who do not qualify for Medi-Cal, or Medicare	• No-Cost for persons with incomes at or under 138% FPL • Low-Cost for those over 138% FPL	• Clinic and outpatient hospital visits • Tests and medicines • Inpatient hospital care • Emergency Room (ER) visits • Certain surgeries	ONLY • County hospitals • County clinics
Pre-Payment Plan	Los Angeles County residents	• A low-cost, flat fee for each visit, if paid within 7 days of choosing Pre-Payment Plan	• Clinic and outpatient hospital visits • Tests only • ER visits • Certain outpatient surgeries *Does not include hospital inpatient care or medicine you take home*	ONLY • County hospitals • County clinics
Discount Payment Plan	Non-County residents who • have no insurance or have high medical costs even with insurance • do not qualify for Medi-Cal; income is at or under 350% FPL	• A 5% discount off charges or what Medi-Cal would pay (whichever is less)	• Inpatient hospital care and outpatient hospital visits • Emergency Room (ER) visits	ONLY • County hospitals
Specialty No-Cost or Low-Cost Programs				
County Mental Health Services (Short Doyle)	Persons needing mental health treatment who • Do not qualify for Medi-Cal • Are functionally disabled by severe and persistent mental illness or who are seriously emotionally disturbed	• One amount for the whole year • Varies, depending on family size, resources and income	• Inpatient hospital care • Outpatient mental health care	• Call the L.A. County Department of Mental Health at 800-854-7771 to find a county mental health facility
Child Delivery Plan	• Pregnant women who are Los Angeles County residents • Each mother must apply for Medi-Cal for her baby	• $2,000 flat fee paid within 7 days after leaving the hospital	• All labor and delivery services	ONLY • County hospitals
Dialysis; TB; Post-Polio	• Dialysis & Post-Polio: California residents • TB: No residency requirement	• Low-Cost fees	• Care for kidney disease, inpatient tuberculosis care, and post-polio related services	ONLY • County hospitals • County clinics
No Extra Cost Medicines	Los Angeles County residents who are outpatient clinic patients	• No-Cost	• Medicine for emergency and public health services	ONLY • County hospitals • County clinics

Who Can Apply for No-Cost or Low-Cost programs in LA County?	
Minimum requirements	Patients must be a Los Angeles County resident and provide acceptable proof that you live in Los Angeles County (ID and proof of address or statement certifying homelessness) and must have medical costs that Medi-Cal, Medicare, private insurance or other benefits won't pay.
What is income at 138% of the Federal Poverty Level (FPL)?	Income is based on your family size. **For 2018, 138% FPL monthly income is $1,397 for a family of one; $1,893 for two; $2,390 for three; $2,887 for four; $3,384 for five; $3,881 for six; $4,377 for seven; $4,874 for eight; $5,371 for nine; $5,868 for ten.** For families larger than ten, add about **$497** per person. For pregnant women count the woman and the number of expected babies. A county worker will see if your income qualifies for these programs and the amount you must pay.
Can non-LA County residents still receive low-cost care?	**Yes, non-LA County residents may receive a discount on their cost for care at LA County hospital under the Discount Payment Plan if they have income at or under 350% FPL.** *Only LA County residents may get no-cost medical care.*

COUNTY OF LOS ANGELES DHCS LIST OF LOCAL PROGRAMS (ENGLISH)

COUNTY OF LOS ANGELES - DEPARTMENT OF HEALTH SERVICES

Additional information about No-Cost or Low-Cost programs in LA County	
How to apply for ATP	**ATP:** Patients apply for ATP during a financial screening appointment at one of the hospitals and clinics listed below. The amount you must pay, if anything is based on your income. The application is good for one year.
What are payments for ATP?	ATP now covers inpatient and outpatient care with one agreement. The former ORSA program is part of ATP. If you have questions about the change, see a financial services worker. • Patients whose incomes after deductions are above 138% FPL pay a low-cost for services. • Patients pay **one amount** for each inpatient admission, regardless of how long the patient stays in the hospital. • Patients only pay one amount **each month** for outpatient care, regardless of how many outpatient visits the patient has in a month. • General Relief patients always get care at no-cost.
Can I use ATP for services not covered by other programs?	**Yes** - You may use ATP for services not covered by Medi-Cal, Medicare or private insurance. • ATP will cover your deductible for private insurance, but it doesn't cover Medicare deductibles or Medi-Cal share of cost.
Can I get more time for payments?	**Yes** – If you are in the ATP or Out-of-County programs and cannot pay the amount you owe within 30 days, you may make arrangements to pay it over a longer period of time. Our extended payment plan bases how long you have to pay on your income, resources and family size.
Do I have to apply for Medi-Cal before I get a County No-Cost/Low-Cost Program?	**Yes** - If a County worker determines that you may qualify for Medi-Cal. Also, new mothers using the Child Delivery Plan must apply for Medi-Cal for their baby. *If you do not fully cooperate with the Medi-Cal application process, you cannot get ATP, Discount Payment or Child Delivery Plan.* **No** - If using Pre-Payment, you do not have to apply for Medi-Cal. Pregnant women who use the Child Delivery Plan do not have to apply for Medi-Cal.
Pre-Payment Amounts	$60 for prenatal visits for the first 7 visits, the rest are at no-cost; $60 for clinic visits at Comprehensive Health Centers (CHC) and Health Centers (HC); $80 for clinic visits at county hospital clinics, MLK Outpatient Center, & High Desert Regional HC $80 for urgent care visits at all locations; $140 at county hospital emergency rooms; $500 at outpatient surgery clinics.
Is my immigration status affected by using these programs?	The County does **NOT** report patients to US Citizenship and Immigration Services. US Citizenship and Immigration Services will **Not** consider you a public charge if you use the No-Cost or Low-Cost Programs.
What happened to Healthy Way LA?	Healthy Way LA (HWLA) ended on 12/31/13, Medi-Cal now covers those people that would have been eligible for the HWLA. If you had HWLA and do not now have Medi-Cal, please see a county worker.

Información adicional acerca de los programas Sin Costo o A Bajo Costo en el Condado de Los Angeles	
Cómo aplicar para ATP	**ATP:** Los pacientes aplican para el ATP durante una cita de evaluación de financias en los hospitales o clínicas listadas abajo. La cantidad que tiene que pagar, si es que tiene que pagar, está basada en sus ingresos. La aplicación es para todo un año.
¿Cuáles son los pagos para el ATP?	ATP ahora cubre el cuidado de paciente externo e interno como parte del mismo acuerdo. El programa anterior de ORSA ahora es parte del ATP. Si tiene alguna pregunta acerca de este cambio, pregúntele a un trabajador de finanzas. • Pacientes con ingresos sobre el 138% del FPL pagan un costo bajo por sus servicios. • Pacientes pagan **una cantidad** por admisión (hospitalización), sin importar el número de días que este ingresado. • Pacientes solo pagan **una cantidad por mes** por cuidado de paciente externo, sin importar el número de visitas externas que tengan durante el mes. • Los pacientes que reciben Asistencia General (General Relief) reciben cuidado médico sin costo.
¿Puedo usar ATP para servicios no cubiertos por otros programas?	**Sí** – Usted puede usar el ATP para los servicios que no cubre el Medi-Cal, Medicare, o seguro médico privado. • ATP cubrirá el deducible de su seguro médico privado, pero no cubre el deducible de su Medicare o Parte del Costo de Medi-Cal.
¿Me podrían dar más tiempo para hacer pagos?	**Sí –** Usted recibe ATP o el Plan de Descuento de Pagos y no puede pagar la cantidad que debe dentro de 30 días, usted puede hacer arreglos para hacer pagos durante un periodo de tiempo más largo. El plazo de nuestro plan de pago extendido se basa en sus ingresos, recursos y número de miembros de su familia.
¿Tengo que aplicar para Medi-Cal antes de obtener un programa del Condado sin costo o a bajo costo?	**Sí** - Un trabajador del Condado determina que usted podrida ser elegible para Medi-Cal. Además, las madres que usen el Plan de Maternidad tendrán que aplicar para el Medi-Cal para su bebé. *Si usted no coopera plenamente con el proceso de inscripción de Medi-Cal, no podrá recibir ATP o el Plan de Maternidad.* **No** – Si usa el plan de Pago por Adelantado o el Plan de Maternidad solo para la madre, la madre no tendrá que aplicar para el Medi-Cal.
Cantidades de Pago Por Adelantado	$60 por cada una de las primeras 7 visitas prenatales, las demás visitas son sin costo; $60 por cada visita a los Centros de Salud Comprensiva (CHC) y Centros de Salud (HC); $80 por visitas a clínicas de hospitales del Condado. MLK Outpatient Center, & High Desert Regional HC $80 por visita de urgencia en todos los centros médicos; $140 por visita a sala de emergencia en hospitales $500 por cirugías en clínicas externas
¿Será mi situación migratoria afectada al utilizar estos programas?	Si usted recibe asistencia a través de los programas sin costo o a bajo costo del Condado, el Servicio de Inmigración y Naturalización (USCIS) de EE.UU. **NO** lo considerará como una carga pública.
¿Qué paso con Healthy Way LA (HWLA)?	El programa de Healthy Way LA se finalizó el 31 de Diciembre del 2013. El Medi-Cal ahora cubre aquellas personas que hubieran sido elegibles para el HWLA. Si usted tenía HWLA y no dispone de Medi-Cal, consulte con un trabajador del Condado.
