- d. Patients' accounts for hospital services that may be appropriate for financial assistance include the following:

The Keck Medical Center (KMC) AGB reduction to gross charges is adjusted with any changes to charges.

2. FINANCIAL ASSISTANCE APPLICATION PROCESS

- a. Keck Medical Center (KMC) personnel will assist any patient unable to pay for services, who cooperatively provides information about his/her ability to pay. If the patient requests charity care or a discounted payment and fails to provide information that is reasonable and necessary for the hospital to make a determination, the hospital may consider that failure in making its determination.
- b. The financial assistance determination may be based on the patient providing federal tax returns for the most recent year or, the two most recent pay stubs.
- c. Eligibility for financial assistance may be determined at any time Keck Medical Center (KMC) is in receipt of qualifying information. This includes pre-qualification prior to services being rendered
