Glendora Hospital and the collection agencies, debt buyers, or other assignees not a subsidiary or affiliate of Glendora Hospital (the “Collection Agencies”) shall not pursue collections from a patient who is attempting to qualify for financial assistance under Glendora Hospital’s financial assistance policy and is attempting in good faith to settle an outstanding bill by negotiating a Reasonable Payment Plan. A “Reasonable Payment Plan” is stated as a monthly payment that does not exceed 10% of the patient’s family income for a month, excluding deductions for Essential Living Expenses, or an amount as negotiated and arranged by Glendora Hospital’s Patient Financial Services.

If Glendora Hospital determines that patient qualifies for charity care/free care or discounted care, Glendora Hospital will only use the patient’s income and tax returns information for determining eligibility and debt due. Glendora Hospital will not use this information for collection activities. If the patient has already paid more than the amount due after financial assistance determination, Glendora Hospital shall refund the amount actually paid to Glendora Hospital in excess of the amount due including interest at the rate provided in the Code of Civil Procedure Section 685.010 from the date of Glendora Hospital’s receipt of the overpayment.

Terms of Extended Payment Plans

The extended payment plan shall be negotiated between Glendora Hospital Patient Financial Services and the patient. All extended payment plans shall be interest-free.

- Certain actions that require a legal or judicial process as specified by federal law,

ECAs do not include any lien that a hospital is entitled to assert under state law on the proceeds of a judgment, settlement or compromise owed to an individual (or his or her representative) because of personal injuries for which a hospital provide care.

Initiating ECAs

After at least 180 days have passed since the initial billing statement was provided to the patient by Glendora Hospital's early out agency and the patient is ineligible for financial assistance or the patient has not responded to any attempt to bill or offer financial assistance, Glendora Hospital may place the patient's bill with a Collection Agency to pursue ECAs to collect outstanding balances at the discretion of the Director Financial Services or his/her designee. For patients found eligible for charity care/free care or discounted care under Glendora Hospital's Financial Assistance Policy, the Collection Agency may not use wage garnishments or file a lien against a patient's primary residence as means of collecting unpaid hospital bills.

If the patient has a pending appeal for coverage of the claim(s) and has made a reasonable effort to communicate with Glendora Hospital about the progress of the appeal, Glendora Hospital will wait until a determination of the appeal is made to place the patient's unpaid bill with the Collection Agency.
